“ Manny was always a pleasure to see on Sunday, Monday, Tuesday and Thursday. That big smile was missed when he started to do PT and didn't come. He will always have a special place in our hearts. Rest In Peace Manny. Peg and Fred Henderson

“ We met Manny and Jean as neighbors in Royal Highlands. He and Frank played golf a couple times but then Frank stopped golfing. He said if he couldn't get better at it, then he was done. We enjoyed a theater trip with them and just having them as neighbors, even back door neighbors, meant a lot to us. We missed you both when you moved but closer to doctors meant it would be easier for you. Thank you for being our friend Manny. Blessings and the very Deepest Sympathies to Jean and your family, Paula and Frank Forgey
