“ Brenda and family,, my deepest sorrow to have heard of your loss,, sadly I met mark at your brothers funeral in July. We met and spoke briefly but I really felt that I had known Mark for much longer. He seemed like a great person and I can know how you feel. My heartfelt sorrow to your parents and Marks family,, sincerely, Matt Zajicek

“ To my loving husband Mark, I am lost and broken. Had so many plans. We were going to all the places you never visited. I will never find the love we shared. I know you know why I can't go to Connecticut. But you also will be with me and I know you know what that means. I love you so much boo. Until we see each other again!
