“ Love d cooking "with" her for so many years at the Leesburg Lions Club. She liked my chili and I loved her deserts! Good and found memories. Bill Hayes

“ I was fortunate enough to meet this wonderful lady just one time. She amazed me by talking about her dear departed husband and things that happened so many years ago. She had an awesome memory. Sorry God took her so quick because I would have loved to get to know her better. I bet she would have had lots of stories to tell. My heart and prayers are with the family as they put a loved one to rest. Love you all.

“ Martha was a very special lady that ministered to all she met with kindness and willing to share of her relationship with the Father. She knew how to show His love and friendship with her baking and cooking throughout her life and always took time to listen. Most of her visitors came to encourage her and left encouraged instead. It was an honor and a privilege to know her and to be very close to her over the last eighteen months of her life.

“ I just learned of Martha's passing. She was resting on my heart so I decided to google her name and discovered her passing.

My condolences to the family. Martha was like my second mother. She taught me a lot about the bible. She always encouraged me to be the best I could be. Her memory will always a part of me. Much love to Shelly and family...Gloria Salter
