“ I only knew Edna for a brief time and unfortunately she was already quite ill. And although the time I spent with her was short, the impression this beautiful lady with the longest lashes I have ever seen, quit wit and warm heart, made a very long and lifetime lasting impression on me! I will always treasure the memories of lying next to her laughing at times as she shared stories of Cindy's childhood, her life as a younger woman, and her loves of certain foods, activities, her german shepard, and old westerns. We also shed a few tears, mostly myself but she at times as well, as we talked about loss, her Faith, her unconditional love and appreciation for her daughter Cindy! Her eyes would light up every time Cindy would walk in the room. Thank you Cindy for including me in your life as a friend and giving me the privilege of also being able to share in the personal memory of your special mom! R.I.P. Edna! I think of you every time I see red roses ...
Sending hugs, Marj

“ Edna, our dear sister you were not only our dear sister you are our friend, we shared so much good and bad but we always had each other. We have seen you go thru so much pain for so many years but you wasn't one to complain. Even after you lost your eye sight you just said it has to be what it is as God knows best. We will miss our daily phone calls but our dear sister your journey here on earth is over so rest in peace,
Our love will always be with you.

We love you Bob and Elvie.

“ I love you forever, I may have to get off here but I love you, I love you, I love you. I just wanted to let you know I love you so very much. Then we would talk about whatever was going on. That was our phone calls most of the time. She loved me just for me. I love you Aunt Edna

“ Mom you were the best Mother anyone could ask for. You were not only my mom you were my best friend. I remember so many great times we have shared. You are the most loving and caring person that I have ever known. I've watched you pray for your pain to be over for so many years. Now your prayers have been answered and I know you will be with the good Lord up above still watching over me. I love you Momma
