

## Matthew David Zanichelli

July 29, 1971 - April 11, 2020

Matthew “Matt” David Zanichelli, passed away unexpectedly at the age of 48 on April 11th, 2020. Matt was born in Detroit and moved to New York at a young age where he spent the majority of his life before settling down in Florida. Matt was so full of life, and in his free time he enjoyed fishing and any activity that involved being outside especially camping. Matt loved to regularly expand his vast wealth of knowledge with books and YouTube videos of all different new topics and then, passing what he learned down on to his loved ones. Matt worked as an electrician and truly loved what he did, but you could also often find him under the hood of a car. He is survived by his beloved daughter Zara, his long time partner Missy, his dearest friends Bobby, Gino, and Christina, and his godson Adrian. Matt is preceded in death by his favorite Aunt Cass. The family will hold a private memorial service in the late summer. The family asks that you keep him in your heart and honor him in your own way on your next outdoor activity.

“ So my favorite memory of Matt was when he came to the hospital to meet my son he was the very first person that made it to the hospital and that was the tiebreaker for Godfather because it was between me and another friend on who was going to be Adrienne's Godfather but Matt coming to the hospital and making sure he was the first one that got there to see my son that really put him over the top and I said right then and there yes Matt you will you please be my son's Godfather and he accepted absolutely with one hundred percent sure why he was such a good god father to my son he was there whenever I needed him once again he will be missed
