“ Dear Amy and Neal,
I'm so sad to hear about your mom passing. I have such wonderful memories of your mom. She always made me feel welcome in your home during all of our play dates when we were kids. She was a very kind and nurturing person, and she always took an interest in me and my family and events in my life. I am so glad we were able to visit your mom last August at her assisted living. We got to share some laughs and enjoy conversation outside in her courtyard. I truly feel lucky to have known her. She holds a special place in my heart.
