“ To the Palli Family, I (and family) were devastated to learn of Mrs. Palli's passing. Dino, your mom was like a second mother to me, and wouldn't let me leave the house without a hug and kiss! Your mom (and dad) were always there for me, and quick to forget when I made mistakes.....and we made a lot! Your mom is forever alive in our memories my friend. God Bless you all, Brian Fitzpatrick and family.

“ Bill, it's with sadness that Sheila and I learned of Patti's passing and we send our condolences and prayers to you and your family. We both enjoyed sharing time with you and Patti on the dance instruction floor, and we especially enjoyed watching you two show us how to do it when it really counted at social gatherings. Like all others, we'll miss her smiling face and upbeat attitude.

“ Bill and Family,
We are so heartbroken in the loss of Patti. We have so many wonderful memories from all the dances, dance classes, eating out, and sitting together at the Squares. We always looked forward to seeing you each time we returned to The Villages. It is so very, very sad to realize that we would have been there with you if not for having to rush home because of the Corona Virus. Such a hard time for all. You are in our thoughts and prayers.
Hugs to all,
John and Linda

“ A few months ago, we had lunch with Patti and Bill at the Chop House in The Villages. She was so much fun, so full of life and enjoyment. We are saddened and shocked to hear the news. We always enjoyed playing golf with her and Bill. She knew how to have fun and how to care for people. We enjoyed sharing stories about our children and grandchildren. We're very sad, but we are glad to have known Patti as a friend.

“ Dear Bill, Billy, Dean and family,

Mark and I are deeply saddened by Patti's passing.

I first met Patti at Natick Five in the late 1970's and we became fast friends that led to a lifetime friendship; including buying cars from Bill. I loved our talks about family, love and life and will treasure my memories of her forever. I will miss her, always.

She loved you all fiercely and with her whole being.

With deepest sympathy,

Lisa and Mark Curran
