“ Dee my heart is filled with sorrow for your loss. Grandpa was a very special man to us. He could make you laugh, with his many stories he would tell of his younger days. He would always make us feel welcome, simply because we walked a mile in the same shoes. Sorry we couldn't have spent more time together, but the ones we did spend will be cherished. This is only good bye for a little while, til we meet again in heaven. With love, Susan, Justin, Dylan, Cameron and Brayden Talley
