“ Rhoda was a wonderful, joyful servant of the Lord all over Leesburg area for many years. It was always a delight to see her and watch her in a group of people make everyone feel special.

She loved Jesus and it was evident in her smile and actions. So sorry for your hurt at this time but you will have a fantastic reunion with her in Heaven. Gary Blanchard

“ We have shared so many memories with Rhoda over the 30 years we knew her, all of them wonderful!” We first met Rhoda at church and then we went through counseling training together for the Pregnancy Care Center. From there she volunteered for shorter stints at the Women’s Care Center and also the Men’s Residence, both residential drug rehabs. All three of these ministries are under the Christian Care Center, Leesburg. Bob and I were often her guests during the summer at her family home in Hendersonville, NC, where we shared adventures! A special memory was when we joined her and friends to tour Wycliff Bible Translators and Campus Crusade for Christ headquarters in Orlando - how she loved supporting the spreading of God’s Word! My first thoughts of Rhoda are greeting her in person or speaking to her on the phone and hearing her say, “I’m wonderful!” or “it’s wonderful!” I once asked her how she could counsel so many people and not let their problems get to her and her response was “God gave me big shoulders”. She will be missed greatly by Bob and I and her Pregnancy Care Center family, but we know she is now praising her JESUS with not a care in the world!

“ Rhonda's death is a reminder to me of divine sovereignty. God gives, and God takes. But when God takes, he is taking to himself, to a place that is better than this fallen world we are born into. Our loss is heaven’s gain.

“ Such a beautiful person and life to celebrate. Rhoda was always so happy to see me when I would run into her, always took the time to visit and ask of my family...because she cared. She has left a wonderful impact on so many lives. Her generosity and kindness live on in her children. Godspeed Rhoda...you were a gem!

“ I'm so sorry to hear of the loss of your mother. She was such a special person. My mother (Millie Dunk) always thought so highly of her and greatly respected her. I recall her coming to my classroom when I taught learning disabled students at Beverly Shores. She came to check on a student. You could see how kind and caring she was. Thinking of the family as it's always difficult to lose a mother.

“ Many good things will be said about this woman in the coming days, and all of it will be true and without exaggeration. Knowing her since I was six years old by virtue of my best friend, their family was ours, and vice versa. Hers was a life worth emulating, always looking to provide guidance, a helping hand, a caring ear, but ever so humbly. She didn't profess to have all the answers but was willing to help you find them. Above all, and undoubtedly her most prized earthly accomplishment, was being a loving mother to her three children, all dear friends and a living legacy of how you can make this a better place by giving of yourself. Godspeed Rhoda, it truly was a pleasure.

“ It is truly amazing to see how many lives mom touched in such a positive way. It should not be a surprise to me because I know how very much she touched my life. She was both my mom my friend and mentor. I was blessed to have her Christian influence and wise counsel. So many valuable life lessons she gave me.....she also gave me her support and was always there to listen and pray. I keep wanting to call her to just talk or share something with her....we truly could and did talk about everything. I miss her so much but will cherish being there to celebrate her 90 th birthday last month. We will have a joyful celebration when we see her again....so grateful for her. Love you mom from julie
