“ First, I would like to say it was an honor to be this man's son in law. I enjoyed every minute we ever spent together. I will miss him more than words can say. I have lots of fond memories of Ron, but one of my favorites was the day Debby graduated from Castleton State College in Vermont, and as Debby was walking across the stage, a group of people stepped in front of him blocking his view, and in the blink of an eye he stood up on his chair and started taking photos of Debby. I will never forget thinking... "Now there is proud dad," and that is exactly what he looked like. Nobody was going to get in the way of him seeing his daughter graduate. Ron was a really great guy and he will be missed dearly.

“ We send our deepest sympathy to Linda and family. Ron and Linda were such a fun couple to be with. We have so many beautiful memories of the times we spent together. Another one of our fun memories was stopping by when Ron was doing woodworking in the garage. We enjoyed seeing the neat things he was working on, many times it was family gifts for Christmas. We were so impressed with his creative ability, all the beautiful furniture he made and his great paintings. We enjoyed getting to play with Duncan during these visits. Another memory was seeing Ron working on the computer very early in the mornings as we passed on our way to the fitness center. Though we have moved back to Indiana and are not Waterbridge residents anymore, we will miss him greatly. Linda, our prayers are with you and your family.

“ Ron and his wife, Linda, were our host family when we moved to The Plantation ten years ago. They graciously drove us around the area and invited us to share their Thanksgiving dinner at their home. He will be missed by many people.
