“ Tina, it is so hard to believe that you have joined your handsome son, father and other Angel families. You helped me when I first started with the memorial website, always there for me when I was sad. You left behind so many good memories you shared with many Angel families. Forever, loved and missed. --Ada

“ Tina, may you be at peace now, painfree and with your loved ones. Though I never had the pleasure of meeting you in person, we talked on the phone one time. You became "Auntie Tina" to Rena as well as "Toothy the Tooth Fairy" when she lost her 1st tooth. You always wrote nice comments on my FB page when I added in pics. You were always a constant figure of sincerity, kindness and loved all. I will forever miss you & love you. Unconditional love & support came natural to you as you did for everyone you met. You are a true lady. May you continue to your journey of eternal happiness & bliss. I know you met with my parents by now as well as your loved ones. God Bless my dear friend. I love you forever! xoxoxo

“ Where do I start? Thank You Mrs.Tina for all that you've done~not only for me and my Jarrett, but for other mothers and their angel. You took time out of your day to help others and to give them a gift that only another mother who had lost could know and understand what was happening. Bless you for that and Thank You.
