

Dr. Todd Philip Ginestra

October 1, 1966 - July 16, 2014

Dr. Todd Philip Ginestra 47, passed away July 16, 2014 in Crystal River, Florida. He was born in Rockford, Illinois and moved to the Lady Lake area in 2011 from Fredericksburg, Virginia. His son Blake states that he was the “Best Father you could ever ask for.” He was happiest when he was spending quality time with his wife Ginger, son Blake and their golden retriever (Maggie) . He truly loved being a doctor and loved caring for his patients. Todd was known as a phenomenal cook who enjoyed making “Sunday Frittatas” among many other dishes for his family and guests, but most of all those closest to him will recollect that he was a loving husband, son, brother and a caring and nurturing father to his son Blake. He was pre-deceased by his mother Marilyn in 1999 and by his sister Mindy Trotter in 2013. He is survived by his wife of 12 years Ginger; his father – Philip (Marion) Ginestra of Rockford, IL; his son whom he adored – Blake; brothers – John (Krista) Ginestra of St. Louis, Missouri; and Jay Ginestra of Rockford, IL; Brother-in-law Mark Trotter and many Aunts, Uncles, Nieces and Nephews.

“ DR GINESTRA WAS MY DOCTOR BUT I FELT HE WAS A DEAR FRIEND. EVERY TIME I CAME IN HE GREETED ME WITH THAT SMILE OF HIS AND A HUG. HE ALWAYS TALKED AND LAUGHED WITH MY HUSBAND. MOST OF THE TIME WE SPOKE OF EVERY THING OTHER THAN WHAT I CAME THERE FOR. I KNEW THAT IF I WAS CONCERNED ABOUT SOMETHING BY THE TIME I LEFT THE OFFICE IT WAS ALL OK. HE HAD A SPECIAL WAY OF MAKING YOU FEEL SAFE. HE SPOKE OF HIS WIFE AND SON ALL OF THE TIME. HE WOULD SHARE ALL THE NEW THINGS THAT WAS GOING ON IN HIS SON'S LIFE.

I DON'T KNOW HOW ALL OF US ARE GOING TO WRAP OUR HEADS AROUND THAT OUR DEAR DOCTOR, FRIEND AND JUST THAT WONDERFUL PERSON WON'T BE WITH US. MY HEART HURTS.

MY PRAYERS ARE WITH HIS FAMILY AND WITH HIM. DR. G WILL BE MISSED BEYOND WORDS.

MAY GOD WATCH OVER HIS FAMILY AND KEEP THEM SAFE ALWAYS AND TAKE CARE OF OUR DEAR FRIEND.

WITH OUR DEEPEST SYMPATHY AND LOVE

“ Dr G was my Dr and I met him in Sept of 2012, from the moment I met him I fell in love with a Dr who cared about his patients and absolutely loved his wife Ginger and his son Blake. He talked about them every visit. I was blessed to have found him as my Dr and to have known him as a real humanitarian. May God bless his family always. This is truly a loss for all who have known and loved him. Carol - The Villages

“ Dear Ginger, Blake and family.

Words can not express our deepest sympathy for loss of a wonderful man. We are honored and blessed to have known him not only as a doctor, employer but most of all as a dear friend. You don't come across people like Todd very often. He was a very thoughtful, compassionate, reliable, hardworking, respected individual. We have

missed him so much since leaving Paducah...not only as a doctor but as a friend. My whole family welcomed him to the area and are all deeply saddened by his death.

Ginger I can't help but remember the good times and laughs we all had while in Paducah. I hope and pray that that the memory of his laugh, sense of humor and smile will comfort you in the days ahead. Please don't ever hesitate to call us if you ever need anything or just need to talk.

Blake, your dad was very special to a lot of people in his short life. I hope and pray that you will grow up to be just like him and touch every person single you encounter. I will also tell you that I will never forget the smile on his face when your mom and dad told us they were pregnant with you. Not sure if that day or the day you were born was one of the happiest day of his life. He loved you to the moon and back!! I pray that you to will always remember how special you were to him. You definitely have some big shoes to fill. Take care of your mom...your dad loved her so much.

I pray that God, family, and friends will comfort you ALL during the days ahead. I apologize for not being able to be there to say goodbye, but know that you are in our hearts.

Peace and Love,
Brad, Angela and Noah Richards
