“ Bill was a very close friend who I had the pleasure to know for the last 46 years. We taught together, played golf and softball together and spent many a days on trips to Vegas, Atlantic City, and New Orleans. No one could have had a better kinder friend in their life. My friend has earned his wings and I'm still working on mine. I hope that we get to meet again one day. I will always remember my buddy Bill.

“ What a shock and so very sad to here of Bill's passing. We have not been in contact for a long time but I have terrific memories of the many, many hours we spent together on the swimming team in high school. Spent a lot of time at the Chad house with Bill's mother and brothers. Always a kind, supportive, funny and thoughtful guy. Our thoughts and prayers go out to Priscilla and the family.
